Council Notes

Item 5.B. Delinquent Tax List

I forgot to discuss this with you Tuesday afternoon. This is a final tax delinquent list that according to our auditor we need to get off the books. Shirley prepared this list but was not here to discuss it Tuesday afternoon. She will be prepared to share any information with you at the council meeting. As you can see, most of these taxes are personal property and for all practical purposes are uncollectible. Since the County is providing our tax collections for us, this should clean our tax books except for a very few that we are still working to collect ourselves.
