

ADDENDUM #1

RFP 20-001

RIDLING PARK FIELD LIGHTS

This addendum is being issued to address questions submitted on RFP 20-001.

Q1. Can you please confirm if the below picture is the fields in question?

A1. Yes, I can confirm that the below fields are the correct fields – Ridling Park.

Q2. We wanted to know if your city would like to allow Qualite as an approved vendor on this project.

A2. I have conferred with the Project Manager, and Qualite can be used as an approved vendor.

Q3. Is there any layout drawings for the area you want to light - or can you give me a comment towards what we need to do so as to put together our designs?

A3. When you look at the entire complex, it's almost designed to where we will want the light poles to be 4 on each side and somewhat like a football stadium. We're not necessarily wanting to light each field like it currently is.

This addendum should be signed and returned with your proposal.
