

ADDENDUM #1

RFP 20-006

CULTURAL ARTS CENTER ROOF REPLACEMENT

This addendum is being issued to address questions submitted on RFP 20-006.

Q1. The fascia and soffit, are you going back with wood or hardy, also is the crown molding going back on the fascia?

A1. In effort to keep with historical, we would like wood. Yes.

Q2. Gutters are hidden gutters with round downspouts, going back with hidden gutters or will the gutters be on the outside?

A2. We would like to keep as original as possible with gutters.

Q3. Will there be any work to the side entrance gable roof?

A3. If the side entrance has roofing material on it, we would like it to match new.

This addendum should be signed and returned with your proposal.
