

ADDENDUM #2

RFP 20-008

**LMIG 2020 Street Paving**

This addendum is being issued to address questions submitted on RFP 20-008 and COVID-19 Issues.

**Q1.** Wondering if the contractor inserts the quantities or is there another bid sheet forthcoming?

**A1.** The City is not a professional paving company; therefore, the contractor calculates and inserts.

**Q2.** The list of roads has quantities in “Feet”, is this SF?

**A2.** No, the stated feet is linear feet. Each road averages 18-20 feet wide.

**Q3.** What are the allowable lane closure hours for these streets?

**A3.** There is no set time for lane closures as long as they are clearly posted in advanced. I will say that most of the streets are small secondary roads in residential areas. So please use best judgement.

**Q4.** Do you anticipate extending the bid due date?

**A4.** With the recent COVID-19 restrictions, the dates have been extended two weeks.
